# Sewist

521 and 525S

# CREATE YOUR OWN ORIGINAL HOME DÉCOR WITH EASE with the Sewist 521 or Sewist 525S

Special features of the Sewist 525S:

## MAGNETIC TYPE HORIZONTAL FULL ROTARY HOOK

Jam proof, magnetic, top-loading full rotary hook system that eliminates the bobbin case for convenient bobbin insertion, removal and cleaning. Thread is visible below the see-through hook cover plate.

## BUILT-IN NEEDLE THREADER

Makes needle threading a cinch, and there's no more strain on your eyes.

## AUTOMATIC ONE-STEP BUTTON HOLE

Merely set a button on the automatic buttonhole foot. The foot then sets the necessary length, and the perfect buttonhole is automatically made in one step.

## DROP FEED DOG

For attaching buttons, free-motion quilting, darning, etc., simply slide the lever to drop the feed dog.

## ACCESSORY STORAGE

Sewing accessories are conveniently stored underneath the machine.

## CONVENIENT ONE-HAND THREAD CUTTER

Since threads are cut neatly, you can easily start sewing again, without the trouble of tangled threads or an unthreaded needle.

## FOOT PRESSURE ADJUSTMENT

By setting the foot pressure, you can sew any thickness or type of fabric, fine to thick, without puckering.

## QUICK FOOT CONVERSION

Just press the lever to remove the foot. To attach, lower the lifter to snap it into place.

## CONVERTIBLE FREE ARM FOR CIRCULAR SEWING

The detachable sewing table easily slides out of the way to reveal the free arm — so handy for sleeves, cuffs and hard to reach areas.
