

JANOME

Australia's No.1 Brand

Model 419S

This fabulous, lightweight model has a one step buttonhole and a wonderful array of practical features for the sewing enthusiast.

It's sew easy with Janome

Easy-to-operate heavy duty machine!

Adjustable foot pressure

Pressure regulator dial adjusts foot pressure for precise feeding. You can have better control on your fabric; silks to jeans.

One step buttonhole

Just set a button in the appropriate place on the buttonhole foot and lower the lever, and a perfect buttonhole is automatically made in one step.

Extension Table

The extension table widens the sewing area. Sewing accessories are easily and conveniently stored underneath extension table.

Quick foot conversion

Just touch the lever to remove the foot and simply lower the presser foot holder onto a sewing foot.

Sewing on heavy weight fabrics

With heavy-duty aluminium die casting construction, extra-high presser foot lifter and high needle penetration power, heavy weight fabric can be sewn smoothly without jamming.

Drop feed lever

Drop feed lever, for easy lowering of the feed dogs for free motion sewing, is located underneath the free arm bed.
